

## Mint of the United States at Philadelphia,

MELTING AND REFINING DEPARTMENT,

Philadelphia, 22<sup>nd</sup> December, 1880.

Sir

I herewith respectfully present my Reports on Melting Bullion during the Month of November. Having reason to apprehend special loss in melting Gold, from the behavior of our Refined Gold, I have been making more minute investigation into the causes, as mentioned to you in my letters of the 6<sup>th</sup> and 11<sup>th</sup> Insts. We are continuing these investigations, as far as the pressing duties of the Assayers will permit.

Very Respectfully
